Firefighter Hiring and Eligibility List Notice

November 14, 2024

The Lake Ozark Fire Protection District is currently seeking qualified applicants for the positions of Firefighter EMT and Firefighter Paramedic with intent to hire and create an eligibility list for future hiring.

The Lake Ozark Fire Protection District is a full-service Advanced Life Support Fire/Rescue EMS agency operating out of 3 stations and a training center. LOFPD maintains a dynamic fleet of apparatus that includes ambulances, engines, ladders, tankers, heavy rescue, and fire/rescue boats. Our firefighters are represented by the International Association of Fire Fighters Local 3987.

Our primary response area is 42 square miles with 17 miles of lakefront waterway and 5 miles of the Osage river. In 2023, LOFPD responded to over 1800 emergency response incidents. Our responses include EMS, Fire, Water Rescue, Technical Rescue and Haz Mat incidents. We face numerous response challenges that are unique to our jurisdiction and topography. Our waterfront properties are well developed with many structures, both residential and commercial. Many of our commercial properties and resorts present unique response challenges in a unique environment.
